

Let's Celebrate

*We have been listening
to you!*

Rewards

We have noticed:

- A reluctance in pupils coming forward to collect their Gold Awards (particularly in the upper school)
- Gold Award not going home (particularly in upper school)
- Less out of school achievements being shared
- Less engagement with ClassDojo prizes

Consultation

- *I consulted with SLT*
- *I consulted with the Staff*
- *I consulted with the School Council*
- *School Council Consulted with you*

So what is going to happen now?

We are going to continue to with:

- ClassDojo
- Celebrating Excellent Achievements in School
- Friday Celebration Assembly
- Celebrating your achievements in and out of school
- ClassDojo Prizes

So what is going to change?

We have created a weekly **Celebration Class for Excellence (CCFE)**

- **You will be informed** during week that you are going to be entered into the **Celebration Class for Excellence** and the reason for their admittance.
 - This will be uploaded to your ClassDojo Account to so your parents know

So how do you get entered into the draw?

Entry to the CCFE will be awarded to a child who demonstrates **personal excellence**, a child who has pushed themselves out of their comfort zone to allow themselves to flourish. -**EXCEEDING BJS EXPECTATIONS (as per the dark green box on reports)**

- Excellent contribution to class discussion
- High quality work for that child
- Behaviour-Being an *agent of change*.
- Good teamwork/leadership skills
- Representing the school
- Out of school achievements e.g., music, swimming...uploaded by parents. Would you like to share that with the class? Class teacher to acknowledge the achievement.

Great News

- *You can be entered more than once in a week*
- *That means the more times your name is in the draw the higher chance you have of winning the raffle.*
