Our vision and values

Our values

Beth Akers, Head Teacher

"We are called to a full life, in body, mind, heart and spirit; nurturing the whole child to thrive academically and spiritually within our Christian school."

At Brackley Church of England Junior School, we are committed to providing a nurturing, inclusive, and high-quality education grounded in our Christian values. Our vision is to inspire children to grow academically, spiritually, morally and socially, preparing them for a bright future and the next stage of their learning journey.

We encourage a love for learning in a safe and caring environment, where our six core values are at the heart of everything we do. We have close links with St. Peter's Church in Brackley and take an active part within the community. Rooted in our Christian foundation, we welcome children of all faiths or none, promoting a strong sense of community and belonging.

We are a caring, celebratory, courageous, Christ-inspired community rooted in love.

Curriculum and learning

Our "aspirational curriculum" (Ofsted 2022) is carefully designed to challenge, engage, and inspire every child. We follow the National Curriculum and enrich it with opportunities that develop creativity, critical thinking, and problem-solving skills.

We support all learners through tailored teaching strategies, additional learning support, and a commitment to developing independent and confident thinkers. In keeping with our core values, we challenge children to be courageous in their thinking and learning as well as resilient and positive.

Our dedicated teachers provide a balanced education that nurtures both academic success and personal growth.
